Train 383(09) - Trespasser Incident

09DEC25: AT 6:21PM-CT, Train 383(09) operating with E/188, 4 cars and 88 passengers onboard, struck a vehicle approximately 1 mile east of La Grange Station at MP 12.7 on BNSF Chicago Subdivision. The weather was 36 degrees with showers. The conductor advised that the incident occurred at Congress Park crossing in Brookfield, IL Cook County. The vehicle went around the public crossing with gate arms. There was no injury to passengers or crew reported and the occupant of the car was not fatally injured. There was no damage to the equipment and headend power was not lost. The vehicle was fouling the tracks, when struck by the train it moved the car off the track. Amtrak road foreman and Assistant Superintendent of Operations notified. Local authorities responded to the scene and cleared the tracks. The crew was relieved, and the train continued west to Quincey, IL.

08DEC25: Train 5(08) at 00000005494 with E/60, 12/17/2025 cars, with 197 passengers onboard, delayed at MP74, 54 miles west of Naperville, IL, on the BNSF Mendota Subdivision due to loss of headend power on trail unit E/60. Headend power was switched to E/151 and Train 5(08) was on the move west. Train 5(08) lost headend power on E/151 and had to stop again at MP 78, with faults for, "Passenger car loads too high". The crew was in contact with mechanical, and road foreman as they inspected the cables. Headend power was restored after crew short looped on the engineer's side between the first and second cars, baggage car C/61004 and C/39043.

At 645P - CT, Train 5(08), with 203 passengers, experienced additional headend power issue at MP 195, approximately 18 miles west of Galesburg, IL, on the BNSF Ottumwa Subdivision. The fifth car, diner C/38057, was identified as the root cause for loss of HEP, damaged 480V cables underneath car. Crew attempted to short-loop/isolate car unsuccessfully. Train 5(08) advanced to Burlington, IA Station/MP205.6, where passengers were able to detrain and wait in the station while the crew cut out diner car and set on the rear of the train. Service recovery was initiated. Sleeper passengers provided food out of the diner, food was delivered to the Burlington, IA Station for coach passengers. Snack pack, water, juice, coffee, tea and juice were offered to all passengers. Sleeping car passengers boarding at Ottumwa, IA were sent meals and all passengers boarding at Omaha, NE were sent breakfast snack items.

09DEC25: At 142A - CT, Train 5(08) stopped at MP 301, approximately 20 miles west of Ottumwa, IA with additional headend power issues, dorm car 39043. Train 5(08) started shoving back to Ottumwa, IA at 250A CT.

Train 5(08) was terminated in Ottumwa, IA passengers provided lodging at various hotels, Super 8 (17 rooms), Quality Inn (47 rooms), Cobble Stone (65 rooms) and America's Best inn (22 rooms). Emergency management, working with local authorities sourced transportation to take passengers to the various hotels. A building, located at the end of the platform was utilized as a warming station. 530AM-CT Local busses arrived on scene to begin transporting passengers to the secured housing. Four busses were secured to pick up passengers from the hotels at 300PM-CT and return passengers to points of origination. Three busses operated express Ottumwa to Chicago and one operated local making all stops between Ottumwa and Chicago.

Road foreman was on scene and assisted in running engines around consist to be in position for deadhead move back to Chicago. A recrew was estimated on scene at approximately 200PM-CT and equipment departed Ottumwa at 310PM-CT deadhead enroute back to Chicago, IL.

Due to the termination of Train 5(08), the following service adjustment was in effect:

- Train 6(11) cancelled entirely, no alternate transportation between Emeryville, CA and Chicago, IL.

Train 5(08) deadhead equipment represented by Train 976(08) was tied down at Kewanee, IL at 717P-CT. Re-crew will go on duty at 755A-CT and will deadhead down on Train 381(10) to Kewanee with an eta 1048a.
