Train 161(28) - Trespasser Incident

28FEB26: at 11:17AM-ET, Train 161(28), operating westbound with E/664, 08-cars, fatally struck a trespasser on no.1 track at MP140.6, approximately 0.5 mile west of Westerly, RI in Pawtucket, CT in New London county on the Amtrak Shoreline/NHB-Line. The incident occurred on the right of way, not at a crossing. There were no reported injuries to crew or 407 passengers onboard. The weather was a reported 42 degrees and sunny. Operating crew requested and was granted relief. Division transportation and IMCS personnel responded to scene, as well as APD. Due to the body remaining underneath Train 161(28) on no.1 track, and the local Medical Examiner not estimated to arrive on scene until approximately 2:00 PM-EST, it was initially proposed to transfer all 407 customers onboard to the next westbound frequencies, Northeast Regional Train 87(28) with 380 customers already onboard, and Northeast Regional Train 163(28) with 364 customers already onboard.

At 1:00 PM-EST, no.2 track was released for restricted-speed by scene and Train 87(28) and Train 163(28) operated into position to commence the train-to-train transfer of all 407 customers onboard Train 161(28). Train 87(28) was able to take approximately half of the passengers and when Train 163(28) arrived alongside 161(28) to complete the remaining passenger transfer, the medical examiner allowed for Train 161(28) to proceed west, in order to recover the body. at 2:43PM-ET Train 161(28) was released from the scene and continued live, operating very late on schedule into Washington, with half of their passengers. As a result, eastbound frequencies Train 160(28), Train 162(28), Train 2248(28), and Train 2250(28) were all severely delayed holding for an available route.
